The Chairman reported on the activities of the Parish Council over the past year. He started by thanking Diane Graham for her four years of Chairmanship of the Council over a particularly difficult time, with covid and a series of very difficult issues all of which she dealt with where others would have walked away. Diane and Marie Wilkinson were also thanked for their work and perseverance on the new play equipment project, the equipment is much used and appreciated by the village and without them it would not have happened. It was stated that we are now in a better position to move forward, and it was sincerely hoped that progress can now be made.

#### **6.23 MATTERS RAISED BY PARISHIONERS**

i)-Changes to the car parking arrangements between Tesco and the Public house were raised, the changes had been made without seeking planning approval and were the cause of several near misses and some actual traffic accidents.

ii)-The Bonfire night was a good community event raising money for charities, it was asked that the fair ground and burger van be charged for attending and this money be given to Charity as this year they made no cash contribution.

iii)-Would the Council please ensure that lamppost poppies are ordered and fitted for November 2023

iv)-A request was made for picnic type tables at Whitegates and a request for Borough Council funding for some benches in the village.
