

Anston Parish Council Reserves at May 2024

Anston Parish Council holds, as does any organisation, reserves for two reasons: The first reason, described as General Reserves, is to mitigate for any unforeseen events. The level of General Reserves set by the Anston Parish Council, based on its funding sources, is £80,000

The second reason, described as Allocated Reserves, is to build up funds for longer term projects or to build up funds to allow for repairs to or replacement of buildings, equipment etc.

The Anston Parish Council is currently holding the following Allocated Reserves:

	£
The Burial Ground extension	200,000
Repairs to buildings	47,004
Replacement of play equipment	2,000
Elections	20,470
Replacement notice boards	2,904
